What are the peak seasons for visiting this lake?

The peak season for visiting this lake is when the trees turn gold and the sky turns gray. It is said that on a sunny day, a person could see the reflection of the surrounding mountains in the water. In the early morning, the mist rises from the lake, creating a dreamlike atmosphere. And in the evenings, the light over the water is the color of an unblemished lily. Many consider it the most beautiful lake in the world.
